ADDITIONAL INFORMATION:

Let us know about any allergies or medical conditions that may affect your child while at camp, as well as any medications they need to take during the day (this includes EpiPens and asthma inhalers). If applicable, you will be asked to sign a medication and/or EpiPen administration consent form on the first morning of camp.

If your child has a prescription medication to take during the day, the medication must be in original containers that identify, in English, the prescribing physician the name of the medication, the dosage and the frequency of administration. Alternate pick-up and drop-off locations are available at Glenburnie General Store, Inverary, North Shore Road at North Shore Drive, and Hewlett-Packard Road at North Shore Drive. **Please email us at DIRECTOR@ECOADVENTURECAMP.CA if you require one of these options or if none of these options work for you.** Details about transportation timings and locations will be sent in your pre-session newsletter.

Anyone dropping off or picking up a camper must sign our attendance sheet before leaving. You may be asked to show photo ID even if you've presented it before.

All campers must complete a swim test and be passed by our lifeguards to play in the water without a lifejacket (which we provide). The test is based off the Canadian Lifesaving Society's Swim to Survive Standard and involves swimming 50 metres and treading water for 2 minutes. Campers are required to wear a lifejacket for all boating activities, even if they have passed the swim test.
